About the Instiitution

Padmashree Dr. D.Y. Patil, Ex-Governor of Bihar has created new realms for the people in India, which is affordable for both education and health facilities. Under his able guidance and leadership, the state of Maharashtra has seen development in the field of education and healthcare. D. Y. Patil Group is a major educational organization having three deemed universities to its credit and running nearly over 160 educational institutions, mainly in the area of professional education, covering various disciplines of knowledge in Health Care, Engineering & Technology and Management education.

The school years are the growth years of a child physically, emotionally, and socially. Keeping this in mind, the school aims to promote ‘Excellence in Education’ in every sense of the term. It also aims to impart to its students a liberal and a balanced education on modern lines, so as to inspire the students to become worthy of the rich cultural heritage of India. It shall develop positive attitude and leadership qualities in the students by providing the necessary atmosphere. The school is committed to uphold the highest academic standards with equal scope for co-curricular & outdoor activities. It strives to create an environment that will generate overall growth.

About the Conference

National Conference on Emerging Trends in Engineering & Technology will be a national forum for researchers and practitioners interested in the advances and applications of recent trends and future inventions in Engineering and Technologies . The goal of DYPSN is to promote scientific information inter change among Research Scholars,Academicians,Students,Working Professonals ,Engineers.

CALL FOR PAPERS
Topi c s of interes t inc lude, but not limited to the following: Aeronautical and Aerospace Engineering Architecture and Construction Artificial Intelligence Automobile Engineering Chemical Engineering Civil Engineering Communication Engineering Computer Engineering Computer Science and Engineering Electrical and Electronics Engineering Electronics and Communication Engineering Environmental Engineering Food Engineering and Technology Instrumentation Engineering and Technology Electronics Engineering Library and Information Sciences Marine Engineering Mathematics Mechanical Engineering Nano Technology Plastic Engineering and Technology Robotics

INSTRUCTIONS TO AUTHORS:
Original Contributors of ongoing research works are expected from the authors . Prospective Author (s) are requested to submit their soft copy research paper s in IEEE format and not exceeding six pages in length. Paper s will be reviewed by the experts and will be selected based on novelty & technical content. The author should give the address for correspondence including contact number and Email address . Selected paper should be presented orally by one of the author .

Publications:

Accepted and presented papers will be submitted for inclusion in SCOPUS indesx journals / UGC CARE journals with authors consents.Selected papers will be published with additional fee.

Publication fee : Rs. 1000/-
Participation Fee : RS. 200/-(Per Paper)

Scan for Registration:

- Registration fee include:
- Conference kit
 - Conference lunch and refreshment
 - Participation certificate
 - All accepted papers will be published in Conference Proceedings

Importanat Dates:

Last date to submit paper: 10.06.2023

Acceptance Notification: 25.06.2023

Camera ready paper: 28.06.2023

Conference date: 15.07.2023
